ARTICLE V: Plan of Organization Amendment Procedure

Introduction

The Fairfax County Republican Committee has adopted this plan of organization to supplement the plan of organization of the Republican Party of Virginia. Any inconsistency of provisions contained in this plan, or in amendments, which may be appended hereto, with provisions contained in the plan of organization of the Republican Party of Virginia shall be resolved in favor of the latter plan.

This plan sets forth the basic organization and mode of operation of the Fairfax County Republican Committee in the interest of facilitating and encouraging active participation by all persons of Republican persuasion residing in the county. It should be used, therefore, in a manner commensurate with the continued growth of the Republican Party in Fairfax County.

ARTICLE I

QUALIFICATIONS FOR PARTICIPATION IN PARTY ACTIONS

Section A - Fairfax County Republican Party Membership

All qualified voters under the laws of the Commonwealth of Virginia, who reside in Fairfax County, who are in accord with the principles of the Republican Party, and who express in open meeting, if requested, their intent to support all of the Republican nominees for public office in the ensuing election, may participate as members of the Fairfax County Republican Party. The qualifications for such membership shall be published in all official Calls for mass meetings, canvasses, and conventions, as herein stated and as may hereafter be prescribed by the State Central Committee and pursuant to the rules of the Republican National Convention.

Section B - Officers and Committee Members

Each of the officers and members of the several committees designated hereinafter shall be members of the Republican Committee as defined in Section A above. A member of the County Committee is held to a higher standard of support for nominees of the Republican Party than an individual who merely participates in a mass meeting, party canvass, convention or primary. Therefore, a member of the County Committee is deemed to have resigned his Committee position if he (a) makes a reportable contribution to and/or (b) allows his name to be publicly used by and/or (c) makes a written or other public statement in support of a candidate in opposition to a Republican nominee in a Virginia General or Special Election. Such member may be re-instated by a majority vote of the other members of the Committee.

ARTICLE II

FAIRFAX COUNTY REPUBLICAN COMMITTEE

Section A - The County Committee

There shall be a committee officially known as the "Fairfax County Republican Committee," also designated herein as the "County Committee."

Section B - Membership

1. The County Committee shall consist of: (a) the County Chairman, (b) Voting Members, (c) Non-Voting Members, (d) Associate Members, (e) all publicly elected officials that were nominated by the Fairfax County Republican Committee, and (f) all non-partisan elected officials who were endorsed by the County Committee at their most recent election and who affirmatively consent to such membership.

Voting Members shall consist of Precinct Members, District-at-Large Members, Members-at-Large and publicly elected officials that are nominated by the Fairfax County Republican Committee with full voting rights. A Voting Member shall have full voting rights if he or she has paid the Membership Fee described in Section 5 below, is an eligible member of the Fairfax County Republican Committee as described in Article I Section A and has been nominated and elected to be a Voting Member either at a County Committee Convention or at a duly sanctioned County Committee meeting, as described herein.

Non-Voting Members shall be those members that have lost their status as Voting Member as a result of a violation of Article II Section E.1, or failure to pay annual dues pursuant to Article II Section B.5. No member who pays the membership fee shall be removed from the membership roll of the Fairfax County Republican Committee, provided however, that the member is in good standing pursuant to Article I, Section A of this Party Plan. Any Non-Voting Member who wishes to be reinstated as a Voting Member may do so by paying a reinstatement fee and filing a request for re-nomination as a Voting Member with his or her appropriate District Chairman, as described in Article IV E. The member will then be re-nominated for re-instatement as a Voting Member at the next duly sanctioned County Committee Meeting. Notwithstanding the foregoing, if there are at that time any Associate Members, and a Non-Voting Member does not meet all of the requirements for reinstatement before his or her position is filled by an Associate Member, the

Non-Voting Member shall become an Associate Member.

Associate Members shall consist of those individuals who have applied for membership in the committee, and have paid the required dues, but for whom no position as a Precinct Member, District-at-Large Member, or Member-at-Large then exists because all of the possible membership positions are already occupied by previously-elected Voting Members or Non-Voting Members. Applications for Associate Members shall be received by the Secretary and upon determination by the Secretary that each such application has been properly made, the name of each prospective Associate Member shall be placed in nomination at a meeting of the County Committee; applicants shall then be elected as Associate Members by vote of the County Committee at the next meeting of the County Committee following their nomination.

The Secretary shall maintain a list of Associate Members, and should any vacancy occur among the Voting Members, a sufficient number of Associate Members to fill such vacancy shall be nominated, in order of priority, at the next meeting of the Committee. The priority for membership among Associate Members in the event of a vacancy shall be based on (i) the nature of the membership status requested by the Associate Members (i.e., Precinct, District-at-Large or Member-at-Large) and in the order in which their applications for membership were received.

Only Voting Members shall be entitled to vote on the business of the Fairfax County Republican Committee. For the purpose of determining the presence of a quorum at any sanctioned meeting of the County Committee, only the number of Voting Members then in office shall be used as the base for such determination.

Each voting precinct in the county shall be entitled to representation on the County Committee by at least one Precinct Member, the number to be determined by the County Committee on the basis of Party voting strength and stated in its Call for the mass meeting, convention or primary at which such Voting Members are elected. Party voting strength shall be based on the number of votes in each precinct for the Republican nominee for President of the United States and for the Republican nominee for Governor in the last such respective elections. Where practicable, Precinct Members shall be registered to vote in the precinct they represent.

2. The number of Members at Large shall not exceed twenty percent (20%) of the number of authorized Precinct Members pursuant to the Convention Call. There shall be county Members at Large and district Members at-Large; the number of each to be determined by the County Committee and stated in its Call as aforesaid. The district Members at Large shall be apportioned among the Magisterial districts in the county on the basis of the number of Precinct Members from each district.

3. The Chairman and Voting Members of the County Committee shall be elected at the convention, mass meeting or canvass ~~primary~~ called for the purpose of selecting delegates to the regular congressional district conventions, except that precinct members may be elected at Magisterial District mass meetings or canvasses held to elect delegates to the biennial County Convention.

4. County Committee Members shall take office upon their election and they shall hold office for a term lasting two (2) years or until such time as their successors are elected.

5. The membership fee shall be fifty dollars (\$50) per year. The membership fee in any year in which there shall be a County Committee Convention shall be due and payable at the time that an applicant seeking election to the County Committee at the County Committee Convention submits his or her application for election pursuant to Section B.5. above or at the time that an applicant seeking nomination at a duly sanctioned County Committee meeting submits his or her application for nomination to his or her District Chairman. The membership fee in any year in which there shall not be a County Committee Convention shall be due and payable on a date to be specified by the Chairman, which shall not be no later than April 1 or at the time that an applicant seeking nomination at a duly sanctioned County Committee meeting submits his or her application for nomination to his or her District Chairman. In addition, prospective members seeking nomination at a duly sanctioned County Committee meeting held subsequent to the date of a County Committee Convention (in convention years) or the date set by the Chairman (in non-convention years) shall pay one year's dues at the time of submission of the application for nomination. The reinstatement fee shall be ten dollars (\$10.00), and shall be due and payable at the time that a Non-Voting member seeks to be re-instated to the status of a Voting Member.

Remove from office, any member of the County Committee including the County Chairman, by the vote of two-thirds of the other members of the committee, provided that such member is furnished with notice that such removal will be sought, such notice including the charges in writing and signed by not less than one-third of the members of the Committee and that the member to be removed is given thirty (30) days between such notice and such vote within which to appear and defend him/herself;
